Dear Fetters:

On February 3-4, 2009, a representative of the U. S. Environmental Protection Agency (EPA) inspected your facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act (RCRA).

Notice of Violation (NOV) was issued to your company during the inspection. I have reviewed your February 12, 2009 response to the NOV and determined that it adequately addresses the violations listed in the NOV. Therefore, no further submittals are required at this time. Please note that EPA reserves its right to pursue appropriate enforcement actions, including penalties, for violations discovered as a result of this inspection, regardless of whether the violations were subsequently corrected.

I encourage you to contact the Missouri Department of Natural Resources (MDNR) at (573) 751-3176 to ask any questions you may have regarding the regulations. To obtain a copy of MDNR's hazardous waste regulations, please contact the office of the Secretary of State, State Information Center, P.O. Box 778, Jefferson City, Missouri 65102, or at (573) 751-4015. The MDNR also maintains a web site at <http://www.dnr.state.mo.us>.
